The Watermelon Sentiment in Henry Waterson's Nature.

Courter Juurnat.

Readers of telegraphic news per tapa noticed during last week an oc ensional line reterring to a disturbance at the Michigan Agricultural College From these meagre details we gather that several of the students entered a watermetoo patch, near the college, and appropriated some of the feuit of the each found therein, that the owner next day manitosted his illsapproval of auch proceedings in a very emphatic mannee; that one the young marauders appeared him by paying him for his missing melons; that thereupon the other stu-dents, to the number of one hun-dred, felt themselves so outraged that they compelled the increenary molon man to refund the money; and that the faculty then asserted its authoriiy, and ordered at once that the mon-ey should be returned to the disconsolate farmer. The atindents refused twenty-five of them were suspended the cemainder then held an indigna-tion moving, and eighty live strong, resolved to robel and leave the col-
